

Swedish? O.K. you're in! Actually I tried musicians here in London, in Miami and New York. I just came to

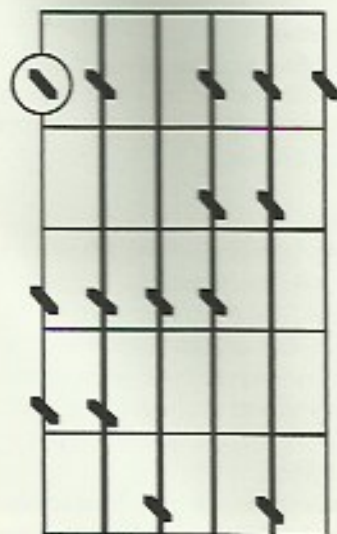

Stockholm for a press tour and the singer (GORAN EDMAN) set these guys up and I said 'these guys are great'.

Remember, I'll Never Forget. And then after we did those songs I just started playing whatever, improvising, to see how they hooked up and they were right on it."

GM: How did you go about writing the album, did you write it with the singer?

Yngwie: "No, I wrote everything, including lyrics. Actually I wrote two songs with my girlfriend, lyrics, three songs with Goran, co-writing lyrics only. The music is all mine."

"It wasn't hard at all. I just tried them once and said 'this is it'. I gave them a rather hard audition. I said 'you have to learn *Far Beyond The Sun*, *Trilogy Suite Opus 5*, *Heaven Tonight*, *Queen in Love*, and *You'll Never*
